

Professional Summary

A third-year Software Engineering student at the University of Phayao with hands-on experience in UX/UI design, software testing, and recipe-based platforms. Passionate about solving user problems through clean design and practical code. Recognized as a fast learner and proactive team player, I'm seeking an internship between November 2025 and March 2026 to apply and further develop my skills in real-world projects.

Education

High School

Thungphotalea Pittaya School

Science-Math

University of Phayao **GPA: 2.8**

Bachelor of Engineering
(Software Engineering)

Language

- Thai(Native)
- English(basic)
